## April 14 - 26, 2026

Thursday, April 23: Split is a lively port town built around the fabulous Roman era Palace that emperor Diocletian built for himself. A local guide will recount the legends and lead us through the storied streets. This evening, perform a concert in Split in a unique local theater or cultural space. The entire city is a living museum with a thriving arts scene.

Friday, April 24: On the way to Dubrovnik, see the Walls of Ston, known as Europe’s Great Wall (like China) and learn about the region’s oyster and mussel farms. Glide on a boat through Mali Ston Bay and board an “Oyster Bar” for a firsthand look at the cultivation and harvesting process. Taste fresh mollusks straight from the sea and wash them down with Croatian wine. Reach Dubrovnik and check into the beautiful accommodations. This evening, take a stroll to see the city lit at night.

Saturday, April 25: Since the 13th century when it was completed, Dubrovnik has remained basically unchanged. Medieval ramparts surround the Old Town accessed through one of two gates. Cross a stone bridge and you’ll be on the broad Stradum promenade. We will work on a final concert here for TahoePhil followed by a festive farewell dinner!

Sunday, April 26: Fly home or extend your stay in Europe. We’ll send you off with new friends, fond wishes, and many happy memories of touring with us in Croatia!
